

Thinking about applying to medical school, dental school, or PA school but need a competitive edge? Have you been working in an allied health field and are now seeking advancement or credentials to teach?

Consider UHC's 12-month, non-thesis Master's Degree Program in Biomedical Sciences featuring a clinically oriented curriculum designed to help prepare you for taking that next step.

If you have any questions or would simply like to discuss your future in healthcare, contact Robert Pinner, M.D. @ bpinner@uhcno.edu.
